

GeoBlue[®] Inbound International Health Plans and Services

**TRUSTED SOLUTIONS FOR STUDENTS,
STAFF AND ADMINISTRATORS**

GeoBlue offers health plans that power intellectually curious travelers in every corner of the world. Our premier products address the unique needs of the higher education market and provide the necessary solutions for inbound international members.

**Industry-Leading
Digital Tools**

**Best-in-Class
Networks**

**Integrated Service
Experience**

We understand the challenge for international students to navigate the U.S. healthcare system. Our plans and superior service address the needs of this population, drawing on decades of industry experience to deliver an unmatched experience for both administrators and students.

Tailored Plans for Your Group

GeoBlue plans provide a full range of medical benefits necessary to meet the expectations and situations of your inbound population. In addition to the standard J-1 visa compliant offerings, a variety of optional benefits including evacuation services, mental health, sports injury and maternity coverage are also available.

Unmatched PPO network access in the U.S.

Members have access to the national Blue Cross Blue Shield network, one of the largest and most respected healthcare brands in the U.S. With 1.7 million participating providers, this network offers maximum convenience and flexibility for those in need of healthcare services.

Positive Service Experience

We are passionate about meeting and exceeding our members' expectations. We have clear knowledge of the U.S. healthcare system and a deep understanding of the confusion experienced by those who are unfamiliar with it. Our U.S.-based, multilingual, global service center representatives are readily available to help international members understand and navigate the U.S. healthcare system.

Global Wellness Assist

An international assistance program available 24/7 for students who are studying internationally that provides access to free, confidential counseling services with licensed therapists, available in 70 languages by native speakers.

Global TeleMD™

A 24/7 telemedicine service and convenient alternative to seeking in-person care with a global network of doctors who can provide advice and prescriptions for minor medical problems, with multiple language options available.

Digital Tools

While in the U.S., students can use GeoBlue's mobile app and digital tools to locate care, translate medical terms and phrases, find country-specific medicine equivalents and receive health and safety alerts.

Single Point of Service

We make administrators' lives easier through convenient, self-service digital tools and responsive client management, for both expected and unexpected issues.
